(ii)	Non-Performing Loan Ratio	12.6%	6.1%

QUALITATIVE DISCLOSURES

(i) The Bank's dominant risks are: credit risk, liquidity risk, market risk and operational risk

(ii) **Risk management framework**

The Board of Directors has overall responsibility for the establishment and oversight of the Bank's risk management framework. There are in place the Risk Management and Audit sub-committees of the Board and an established Asset and Liability committee (ALCO) which are responsible for developing and monitoring risk management policies in their specified areas.

The Bank's risk management policies are established to identify and analyse the risks faced by the Bank, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions, products and services offered. The Bank, through its training and management standards and procedures, aims to develop a disciplined and constructive control environment, in which all employees understand their roles and obligations.

The process followed in risk management for the period ended 30th June, 2017 are consistent with those followed for the year ended 31st December, 2016.
